

To register for the January 2021 Online 36-hour BCIA approved Introduction to Neurofeedback please fill out the following information and return to info@bostonneurodynamics.com. Please print clearly or type.

Name, as you would like it to appear on your certificate:

Suffix (ie, LICSW, MD, PhD, etc) _____

Mailing address _____

City _____ State _____ Zip _____

Email address _____

Telephone (office) _____ (cell or home) _____

How did you hear about us? _____

Total workshop cost: \$1200 extended early bird if paid in full

We require a \$500 deposit when you sign up for the workshop. The balance is due 45 days prior to the start date of the workshop. If you are registering within 45 days of the workshop, full payment is expected at the time of registration. We accept checks or bank wire transfer (we will send you our bank information).

We will maintain the early bird discount for anyone registering for the online training in January.

Amount Paying (circle one) \$500 deposit / \$1200 extended early bird / ~~\$1350 full payment~~

Please check one: check enclosed bank wire transfer

If mailing a check, please use the following address: Boston NeuroDynamics, Suit #1,
1318 Beacon St., Brookline, MA 02446

Your spot for the workshop cannot be reserved until we receive the deposit. There is a lot of interest in the workshop and space is limited. Registrations will be processed in the order received.

Cancellation policy: All payments will be fully refunded if the cancellation is made in writing at least 4 weeks prior to the workshop. Cancellations made less than 4 weeks, but more than 5 days before the workshop can be refunded at 50% or fully credited towards the next workshop. Cancellations made 5 days or fewer before class cannot be refunded or credited.

Signature _____

We reserve the right to cancel. Although cancellation is extremely unlikely, should it be necessary, all payments will be refunded. We cannot be held responsible for restricted or non-refundable airfares.

If you have any questions, please call (617) 855-9295 or email info@bostonneurodynamics.com
